

Lufkin WM32MEU Collapsible Measuring Wheel up to 9999,9 m

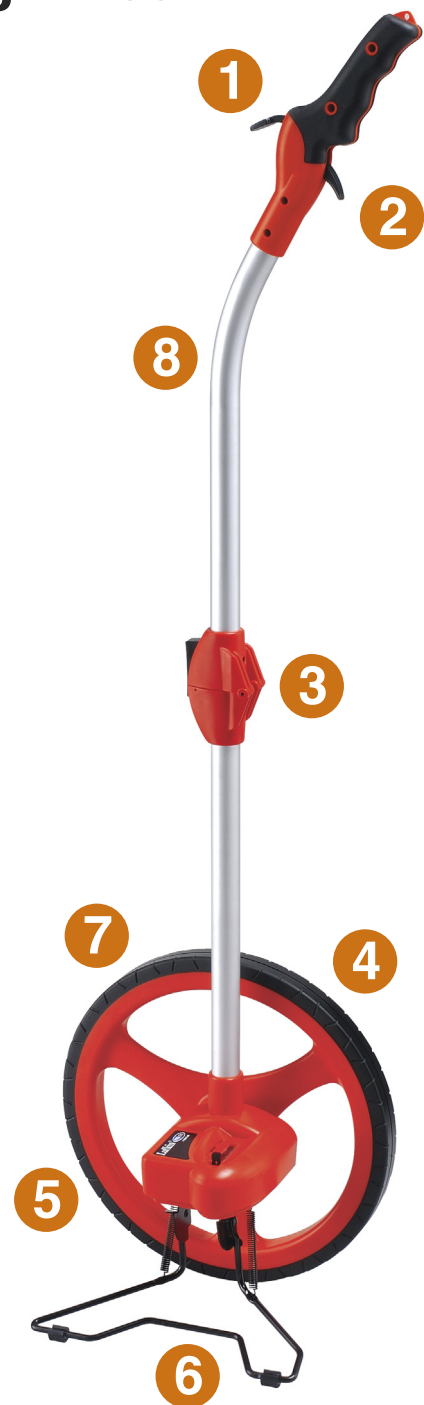

- 1 Reset Trigger in handle and counter
- 2 Braking Trigger in handle
- 3 Collapsible handle for storage, folded size: 650 mm
- 4 Aggressive treaded wheel for improved traction
- 5 5 digit counter measures 9999.9 meters without resetting
- 6 Built in kickstand supports wheel
- 7 Large 318 mm wheel diameter provides more accurate measurements particularly on uneven terrain
- 8 Comfortable handling, total length: 1059 mm

Convenient reset in handle.
Braking trigger eliminates "free-wheeling" when measuring.
