

Folding Utility Knife Set - WKFQ4SETEU

The new Wiss® WKFQ4SETEU 20 piece Quick Change Folding Lock-back Utility Knife Set makes every cutting job easier. The set comprises a folding knife, a nylon case and the four most popular styles of cutting blades: Linoleum, Scoring, Hook and Standard blades. The rust-proof steel construction will keep it looking new for years. A unique interchangeable belt clip design and thumb pin lets you choose right or left-hand use. Also, a patent-pending, quick-change mechanism reduces the chance of injury with a simple thumb release for easy blade removal and replacement.
